

## Griffin Primary School

**Griffin Primary School is a place of excellence where students can achieve full potential in their academic, creative, personal, physical, social, moral spiritual and cultural development. *Give your best, get the best!***

### HOME SCHOOL AGREEMENT

Our Home School Agreement sets out the partnership between the school and family to benefit the educational development of each child.

The Governors ask that all parents/carers who accept a place at the school sign the document to signify that they understand and accept the values of the school. The agreement will be sent out with other information before a student starts at the school.

The school is committed to working with parents/carers through an atmosphere of mutual trust and respect. As partners in the education of students we will achieve this by the following agreement:
