

GRIFFIN
Annual Summary Report
Community Council: 2021-2022

Our Griffin Community Council was established in November of this academic year and we are delighted to have welcomed councillors from the parent/carer body, staff, TEFAT and students.

Over this year we have met 4 times with 4 official visits into school to develop our understanding of various aspects of school life and have met with students and staff.
Particular highlights of this year were our Learning Walks to see our students learning in class and exploring **Inside out Fridays** and how students learn differently on these days.

Next year, as we become more established, we are looking forward to exploring the Curriculum in greater detail and looking at the impact of Outside Learning including the **Forest in the City** and tracking the impact of the Library on enjoyment and reading for pleasure!

If you would like to contribute then please do contact: Karen Bastick-Styles (Executive Head)

Wishing you a wonderful summer holiday.
