1. Policy aims and objectives

This policy aims to ensure that Greenside is effective in ensuring all members of the school community are aware of the uniform requirements.

The objectives of this policy are:

- To clarify the benefits of having a school uniform, namely:
 - To set a high expectation and standard for personal appearance
 - To create a sense of belonging and cohesion for the Greenside community, regardless of background
 - To set an appropriate tone and mindset for education and being in school
 - To provide a safe and secure environment, reducing opportunities for bullying or peer pressure to wear the latest fashions or other more expensive clothing
- To evidence regard for our obligations under the Human Rights Act 1998 and the Equality Act 2010, thereby ensuring that this policy is as inclusive as possible
- To ensure that the total cost of the school uniform, taking into account all items of uniform or clothing parents/ carers will need to provide while their child is at the school and including items in their PE kit, is reasonable and secures the best value for money for families.

2. Human rights, equality and discrimination

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics; which include sex, religion or belief, race (including colour, nationality, ethnicity or national origin), disability and gender reassignment.

This policy aims to be as inclusive as possible taking into consideration the protected characteristics of all students within the school community. By doing this the school is fulfilling its obligation not to unlawfully discriminate.

As a school, we are therefore sensitive to the requirements of specific items of dress code required by religious beliefs. We recognise that students have the right to manifest a religion or belief, but not necessarily at all times, places or in a particular manner. We will at all times act reasonably in accommodating such needs, without compromising important Trust or school policies, such as school safety or discipline.

3. Responsibilities and Roles

The Trust will:

- Ensure this policy meets obligations under the Human Rights Act 1998 and the Equality Act 2010
- Demonstrate consideration to cost of uniforms and value for money through this policy
- Ensure that schools meet the statutory requirements in regard to second-hand uniform provision

The Executive Principal/ Head of School and staff will:

- Ensure the implementation of this policy, supporting the wellbeing, safety and comfort of all students
- Assess the overall cost implications of this policy and assess any impact of variations or changes to the uniform, avoiding frequent changes to the uniform requirements; this may include engaging with uniform suppliers to ensure value for money
- Ensure this policy, and information regarding the availability of second-hand uniform, is available on the school website for parents/ carers

Parents/ carers will:

- Ensure their daughter/ son wears the appropriate school uniform smartly and correctly
- Approach the school if they have concerns about the uniform or acquiring uniform, particularly in relation to protected characteristics or cost of the uniform

Students will:

- Ensure they are wearing the appropriate and correct uniform whilst in school and being transported to and from school and on school trips
- Take pride in their appearance and take an ambassadorial role for the school

4. Ensuring Value for Money

We always welcome donations of good quality items from families where their daughter/ son may have outgrown them or from Y6 students moving to secondary school.

7. Student non-compliance

Repeated breaches of the Uniform Policy will be dealt with by the Class Teacher &/or Leadership Group member meeting with the parent/ carer to resolve the issue.

So as to avoid indirect discrimination reasonable adjustments will be made, as appropriate, for students with a protected characteristic. This should be discussed directly with the school in the first instance and careful consideration given to any such request.

8. Concerns relating to this policy

Concerns about uniforms should be resolved locally and in accordance with the Trust [Concerns and Complaints Policy](#)
