Fortnightly Roundup

'The Present' Production

Last night, our Year 4 and 5 pupils put on a brilliant production to begin the festive season. I was so impressed with their acting abilities and skills; they remembered all of their lines to tell the story of *The Present*. A huge well done to all of the children in those year groups and a big thank you to The Old Vic for giving Griffin this opportunity to work with real-life actors and playwrights!

Open Morning

This morning, we toured prospective families for future Nursery and Reception places. If you know of any family looking for either a *free* Nursery place from January or a Reception place for next September, please advise them to contact the school office.

Closing date for Reception places is 15th January via Wandsworth eAdmissions.

Attendance

Our whole school attendance figure has decreased again to: **94.59%**.

Well done to Year 5, who are above our target of **96%** attendance!

Regular Attendance

Pupils with attendance below 90% are at significant risk of underachievement.

Please ensure that your child attends school unless in exceptional circumstances. If you have any questions or any problems you wish to bring to our attention, please do contact your child's class teacher, in the first instance. Griffin staff are all very keen to support parents/carers in improving attendance.

Wrap Around Care

We are investigating whether there is enough demand to open an after school wrap around care provision. We know that many of our families work and require childcare after school, so we are therefore exploring this possibility. Griffin historically had an after school club but, unfortunately, it was closed due to low demand and it not being financially viable.

If you would be interested in Griffin opening an after school club, please help us ascertain the demand, by [completing this short survey](#).

Curriculum **Miss Casey, Deputy Head**

A resounding cheer goes out to our incredible Year 4 and 5 pupils for their outstanding performance in yesterday's production *The Present*. We are extremely proud of what they have managed to achieve in only 6 weeks. It was a delight to watch pupils take ownership over their roles, knowing their lines and cues. But more importantly, it was lovely to watch them support one another both on and off the stage and have fun. We want to thank parents and staff who also contributed to making this production such a success! It was a team effort culminating in a lovely show!

SEND Miss Cooper, SENDCo

We know Christmas or other celebrations can be difficult for our SEND children, particularly as routines and structures may look different. Wandsworth Autism Advisory Service (WAAS) have produced this handy guide to supporting SEND pupils during the holidays [Christmas Holiday Tips](#).

If your child receives SEND support and you are concerned about their transition from Year 6 to 7, please contact your class teacher or myself for more information on the enhanced transition project run by Wandsworth.
