Fortnightly Roundup

Year 6 SATs

A huge congratulations to all of our Year 6 pupils who completed their SATs this week. They approached these with resilience and maturity, completing them to their best of their ability.

We know how hard Year 6 have worked towards these, not only this year but throughout their time at Griffin, and they should be proud of all of their efforts. Well done!

EYFS Ducklings

Our duck eggs arrived on Tuesday and we were very excited to observe them hatching slowly but surely throughout the afternoon. Four beautiful and healthy ducklings hatched on Wednesday morning! Our pupils love watching the little ducks playing, feeding and resting in their cage. All children have been gentle and careful when holding and stroking the ducklings. We are looking forward to more fun with the ducks next week, when they gain more weight and strength.

Wishing you a lovely weekend,

Mr Red

Curriculum Miss Casey, Deputy Head

We are excited to announce that ten Year 5 pupils from our school will be participating in an upcoming Trust-wide Oracy Day at Cippenham Primary School in Slough. This event offers a unique opportunity for our pupils to engage in various activities alongside peers from different schools across the trust. They will also have the chance to showcase their leadership and oracy skills by presenting their own workshop. It's sure to be a day filled with learning, collaboration, and the chance to make new friends.

SEND Miss Cooper, SENDCo

On 26th June, the Education Wellbeing Service will be hosting a parent workshop at Griffin School from 9am-10am, focused around supporting children's sleep routines. It would be great to see as many parents as possible as we know this area can be difficult and we know how important a good night's sleep is, especially for children.

Please see link to Mind and SEND parent carers in Wandsworth meeting: [SEND parents event](#)

'Come along and chat with other local Parent Carers and representatives of the Parent Carer Forum, WIASS and SEND in Mind'.

There are also a further two workshops for parents being run locally - please see information on the next page.
