Experience the world with us. Give your best, get the best

Welcome

It is an absolute pleasure to be writing my first Griffin newsletter. Thank you to the children, staff and whole community for making me feel so welcome in my first week.

I do hope you received my welcome letter on Monday. Moving forward, newsletters will be published every other week, to keep families updated. Please ensure the school office has the correct email address for you.

Our new school website will be launched by next week. This will be a very useful resource for current and prospective families. Please do have a look. This will be regularly updated with important information and news about each class' learning, as well as having all calendar and event dates.

This week, I have been asking staff and children what it means to be a Griffin learner and what it is like to attend this school. These responses will be used to formulate a new set of shared Griffin values.

Follow our X (Twitter) and Instagram pages to keep up to date and see the exciting learning that takes place.

We have also organised 'Meet the Teacher' for every class. This is a great opportunity for parents/carer to get to know their child's teacher and find out what they will be learning over the year and the academic expectations. Please find your child's date in the important dates column. All meetings start at 9am.

Have a lovely weekend,

Mr Red

SEND Miss Cooper, SENDCo

Welcome back! I would like to introduce myself. I am Miss Cooper, the new SENDCo at Griffin Primary School. I will be spending the next few weeks getting to know the pupils of Griffin, particularly those with special educational needs.

Pupil support plans will be emailed to parents by Wednesday 20th of September, which will detail the support your child will receive this year and their targets. I will be on the gate in the mornings and end of day, or a phone call away, if you have any concerns about your child's development or SEND needs.

I look forward to working in partnership to provide an inclusive environment for all children at Griffin Primary School.

Free School Meals

All pupils who attend Griffin Primary School are now entitled to have a *free* school meal, provided by the school kitchen. This has been extended to pupils in Years 3-6, through The Mayor's Universal Free School Meals Scheme. All Infant pupils will continue to be eligible also.

Our school kitchen is now led and managed by Harrison Catering. The new menu has been attached to this email.
